

### *STEM Scholarship 2017*

The Institute for Advanced Learning and Research (IALR), located in Danville, VA, is an organization committed to furthering Virginia's research capacity in the STEM (science, technology, engineering, and mathematics) disciplines. IALR has established research centers in precision agriculture, polymer chemistry, natural products and high value horticulture to assist in the economic transformation of southern Virginia. The success of these efforts is dependent upon the region's ability to invest in education and the entrepreneurial potential of its youth.

The IALR STEM Scholarship, in the amount of \$500, is intended to support a graduating senior who expresses a desire to continue his or her education, specifically in the areas of science, technology, engineering and/or math. The scholarship is offered through the IALR Foundation.
