Schedule is subject to change without notice

Potentially all courses offered by Old Dominion University may be used for re-certification purposes. However, because requirements vary in different areas, we strongly advise teachers to obtain approval from their school administration prior to registration in any course to be used for recertification.

Student Responsibilities

- ◆ Non-degree admission is required for students who have not previously taken courses with ODU (\$40 application fee is required)
- ◆ Some courses may have pre-requisites that must be met before registration is allowed—official transcripts or test scores may be required.
- ◆ All students are encouraged to apply and register as early as possible as some courses may reach maximum capacity quickly.
- ◆ Students **will not** be dropped from a class due to non-attendance or for non-payment of tuition—to be relieved of responsibility for tuition payment once registered, students must officially drop the class by the established drop deadline. Drop deadlines will vary during the summer semester because of different sessions, check the academic calendar online for specific dates at: <http://www.odu.edu/ao/registrar/calendars/academic/>. Contact the site office immediately for assistance.
- ◆ Students who do not properly drop their class prior to the drop deadline will be held responsible for all tuition charges incurred upon registration.

A complete schedule can be obtained by calling 276-656-0278 or send your mailing address to ttphcc@odu.edu

The schedule of classes offered by Old Dominion University can be changed at any time prior to the first meeting of semester classes.

Students who are interested in taking a class at Old Dominion University during the summer or fall semester are advised to contact their local site office as soon as possible to complete all necessary paperwork for admission to the University. Delay could mean the class you want to take could reach capacity and additional registrations would not be allowed.
