SUBJECT: Families First Coronavirus Response Act (FFCRA) Update

The Families First Coronavirus Response Act (FFCRA) requires certain employers to provide their employees with paid sick leave and expanded family and medical leave for specified reasons related to COVID-19. Offering these provisions under the Act was optional after December 31, 2020; however, these provisions expire on March 31, 2021. Therefore, Pittsylvania County Schools will discontinue these provisions after March 31, 2021. The decreasing number of positive cases in the community and schools and the increased number of vaccinated employees supports this.
