

There are special people on the staff at your school whose job is to help improve students' concentration and classroom participation, increase SOL test scores and make sure students' stay healthy.
Although the cafeteria employees don't see inside of a classroom very often, they do make a huge daily contribution to all students' educational success.
We are so grateful for these special employees who work diligently behind the scenes every day to create delicious meals while ensuring compliance with the many health and safety rules and regulations!

Please join us in saying thank you to our outstanding cafeteria employees on School Lunch Hero Day, Friday, May 3.
