

**Approved by the
Pittsylvania County
School Board**

September 8, 2020

**Pittsylvania County Schools
Return to School Plan**

REOPENING

On September 8, 2020, the Pittsylvania County School Board approved a Return-to-School phase-in process. **This process will continue Remote Learning Opportunities for all students through September 25, 2020, with students in Grades 4 to 12 continuing remotely through October 9, 2020.**

- **Beginning September 28, 2020** - ALL students in Grades Pre-K to 3 whose parents elected in-person instruction at the beginning of the school year, as well as ALL students at the Pittsylvania Career and Technical Center (PCTC) may return to school under the approved Hybrid Instructional Model. Under this schedule, these Pre-K to Grade 3 students will attend school on Monday, Tuesday, Thursday and Friday of each week. Students attending the PCTC will attend classes twice per week following an A B, A B schedule on Monday and Thursday or Tuesday and Friday. Students and staff must follow strict physical distancing requirements and will be required to wear a cloth facial covering when physical distancing of at least six feet cannot be maintained. During this time, parents also have the option to continue under the 100% remote learning option if they so choose.
- **Beginning October 12, 2020** - ALL students in Grades 4 to 12 whose parents elected in-person instruction at the beginning of the school year may return to school following an A B, A B schedule. Again, the parents will have the option of continuing 100% remote learning if they so choose. The same mitigating health measures will still apply.
- **Parents who previously elected remote learning and wish to have their child attend in-person should contact your child's principal to determine if space is available.**

The School Board will continue to review Virginia Department of Health data and be in contact with the Pittsylvania Danville Health District between now and September 28th. Should that data show an increase in COVID-19 cases for Pittsylvania County, the School Board may extend the remote learning for all students for an additional period of time.

September 28, 2020

- **ALL Pre-K – Grade 3 students attend 4 days per week, Mon – Tues and Thurs – Fri**
- **Pittsylvania Career and Technical Center students will follow an AB, AB schedule (Monday and Thursday or Tuesday and Friday)**
- **Teacher planning, contact with virtual students and deep cleaning on Wednesdays**
- **Students may participate in 100% remote learning**

September 28, 2020 PCTC Plan

Original AB/AB Division Plan

- **Monday/ Thursday – A students attend PCTC in the morning and afternoon**
- **Tuesday/ Friday – B students attend PCTC in the morning and afternoon**
- **Schedule**
 - 8:15 a.m. – 8 30 a.m. – Arrival, Health Screenings (morning students)
 - 8:30 a.m. – 11:17 a.m. – Instruction
 - 11:17 a.m. – Student Bus Dismissal
 - 11:20 a.m. – Student Car Driver/Rider Dismissal
 - 11:20 a.m. – 11:30 a.m. – Cleaning
 - 11:30 a.m. – 12:00 Noon – Lunch
 - 12:00 Noon – 12:10 p.m. – Arrival, Health Screenings (afternoon students)
 - 12:10 p.m. – 2:25 p.m. – Instruction

B	Remote Learning from Home	In School	Remote Learning from Home	Remote Learning from Home	In School

PHASE III SCHEDULE

Ongoing 100% Remote Learning
Students

Students who have selected 100% remote learning will follow the schedule below:

Monday	Tuesday	Wednesday	Thursday	Friday
Remote Learning from Home				

Teachers' Children

- **The Governor's Order addresses childcare as an essential function.**
- **To meet the need for teachers to come to school to provide remote learning opportunities and/or paper packets for instruction for all students in the school, teachers may bring their school-age children with them as long as the children do not distract from their work assignments.**

Bus Cleaning

- Bus drivers will clean school buses between each run.
- Disinfectant, PPE, and spray equipment are provided on each school bus.

Car Arrivals and Departures

- Parents are expected to conduct health screenings prior to bringing students to school.
- A temperature screening will be done on students prior to entrance into school buildings.

Physical Distancing in the Schools

- Staff and students will be expected to wear a cloth facial covering when a physical distance of six feet cannot be maintained.

Cleaning in the Schools

- Staff will be trained on appropriate use of cleaning and disinfecting solutions.
- Staff will wear rubber gloves during the cleaning process; masks and other PPE may be required based on task.

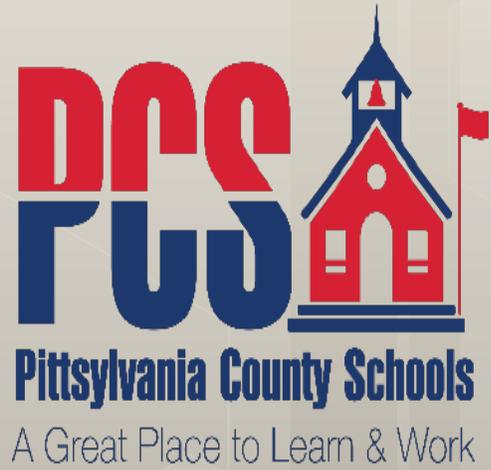

- Staff will regularly clean
 - Restrooms
 - Hallways
 - Offices
 - Frequently touched surfaces
- Desktops will be cleaned between classes if used by different students.
- Desktops will be cleaned each afternoon if used by only one student.

Deep Cleaning in the Schools

- Deep cleaning will be done each afternoon and on Wednesdays.
 - Desktops – cleaned with soap and water (changing water frequently)
 - Frequently touched surfaces – cleaned with soap and water, then disinfected.
 - Floors – scrubbed with soap and water.
 - Restrooms – fixtures scrubbed, floors and walls scrubbed with soap and water.
 - Hallways – scrubbed with auto-scrubbers.
